 - a. ZHB #972 – 110 and 112 South Matlack Street – Altaf Kasmani, Sadia Usman & Daniyal Feroz
Applicants seek to consolidate the two lots into one lot, and once consolidated, redevelop the Property by building a two-family detached residential dwelling as permitted under Section 112-19. Applicants seek variance relief for the following:
 1. A variance from the minimum lot area requirement of Section 112-21(A) to reduce the minimum lot area from 2,500 square feet to 1,614 square feet;
 2. A variance from the maximum building coverage requirement of Section 112-21(A) to increase the building area from 45% to 59.60%;
 3. A variance from the minimum lot width at the building line requirement of Section 112-21(A) to reduce the width from 40 feet to 22.94 feet width;
 4. A variance from the minimum front yard setback requirement of Section 112-21(A) to reduce the front yard setback fronting on South Matlack Street from 15 feet to 2.04 feet or to a certain size required to maintain the character of the existing building setbacks on the block;
 5. A variance from the minimum front yard setback requirement of Section 112-21(A) to reduce the front yard setback fronting on Locust Alley from 15 feet to .94 feet;
 6. A variance from the minimum side yard, individual setback requirement of Section 112-21(A) to reduce the minimum side yard, individual setback from 5 feet to 0 feet; and
 7. A variance from the minimum aggregate side yard setback requirement of Section 112-21(A) of 15 feet as the result of the failure to have a total of two side yard setbacks each meeting the minimum individual setback requirement of 5 feet.

Applicants also seek such other additional relief as the Board may find to be appropriate.
5. Review 235 East Market Street Land Development (**attachments**)
6. Review Application for 7 North Church Street Outdoor Dining Platform (**attachment**)
