Dear Mrs. Elks,

West Chester Borough Council has committed a match of \$9,000 (30% of the grant amount of \$30,000) for the Vision Partnership Program- 2019 Round 1 grant application.

Further, the Borough is committed to establish a *Project Task Force* to include representatives from Borough Council; the Borough Planning Commission; Borough Staff; and their consultant, Pennoni Associates. It is also the intent that representation from local businesses, municipal groups, or representatives from the general public may also serve on the Task Force. A Chairperson will be elected to guide the Task Force through the process. The Borough of West Chester understands that the grant program reimburses after the adoption or acceptance of the project.

This application is being submitted with the full knowledge and approval, of the Borough Manager, Michael A. Perrone on behalf of the Borough of West Chester.

Very truly yours,
