In case of an emergency, please always call 911.

## UNIVERSITY PREVENTION EFFORTS

**!** Fraternities have hosted weekly meetings with staff to create prevention plans for Homecoming & Family Weekend as we identify it to be a high risk weekend.

**!** Fraternity and sorority student leaders met with both Borough Police & Good Fellowship to discuss expectations, plans, and proactive behaviors to prepare for Homecoming.

**!** Homecoming Packages that include trash bags, waters, first aid kits, and more will be distributed to houses hosting events for Homecoming & Family Weekend.

**!** Residence Life & Housing has implemented a Community Day Policy for Oct 3-5. This means Non-WCU guests are not permitted in the halls between 8pm - 8am.

**!** All residential students were notified that Security Officers may conduct bag checks upon entry to the residence halls over the weekend.

**!** Late night programming has been scheduled each night in the residential halls and throughout campus. During the weekend, events will have substantial levels of food and water available for free or low cost.

## PARKING & TRAFFIC

We know an increase in visitors impacts transportation flow around campus and surrounding areas.

- WCU is implementing the following:
- Free parking on campus in specific lots/garages
  - Shuttles around campus & surrounding areas
  - Specific shuttles for Game Day attendees

Did you know that WCU is reimagining the Football Game Day Experience for every home game?
